What your contribution will support

At La Maestra, we are passionate about enhancing healthcare services and addressing the pressing needs of our community. For over three decades, La Maestra has developed the La Maestra Circle of Care® services, a holistic, solution-based approach to care that includes wraparound social services to alleviate poverty, as well as high-quality, affordable, culturally and linguistically competent primary and specialty medical care for under-resourced communities in central, east, and south San Diego County.

On September 22, our community will come together at La Maestra's Annual Golf Tournament. We invite you to join us as a generous sponsor to celebrate a new year and the need for even more services to meet the needs of individuals and families. This year, funds raised through the golf tournament will benefit La Maestra's Victim Assistance Department's Human Trafficking program. Over the last few years, the Human Trafficking program has launched comprehensive victim crisis stabilization services where culturally competent case managers and navigators provide needed services. In 2022, the Human Trafficking program provided services to 308 survivors of sex and labor trafficking from 29 Countries. Services include emergency hotel stays and case management for victims of human trafficking and domestic violence, as well as assistance for asylum seekers, unaccompanied minors, immigrants, and refugees. With your generous support, La Maestra will be able to improve victim safety and security and provide solutions so that survivors have safe and readily available choices when leaving abuse, trafficking, and other forms of victimization and to prevent further trauma and homelessness.

La Maestra's Golf Event will bring together residents from all over San Diego County at the Sycuan Singing Hills Golf Resort – Willow Glen Course in El Cajon. This event serves as an opportunity to unite healthcare professionals, philanthropists, and compassionate individuals who share our vision of ensuring accessible and quality healthcare and wellness for all.

Please see the additional information about sponsorship opportunities for La Maestra's 20th Annual Golf Tournament in San Diego on Friday, September 22, 2023. We have curated a range of sponsorship packages designed to suit different contribution levels, allowing your organization to select the option that aligns best with your philanthropic goals and budget. Thank you for your time, generosity, and continued support of our mission!
